

To Whom it May Concern

Sana and her crew have provided after builder cleaning services for our construction company on numerous projects over the past 2 years.

Sana is always the first one to show up and the last one to leave.

We have always found Sana and her Team to be professional, reliable, honest and hard working.

They continually complete all work perfectly in often difficult circumstances, adhere to contract specifications, and are responsive to our needs.

Her staff member is well supervised, responsive and professional.

If you are seeking for the best cleaning contractor, I highly recommend Sana and her crew.

Furthermore, please do not hesitate to call, if you have additional questions regarding their services.

Thank you

Kind Regards,
